

Have you been diagnosed with  
**Lupus?**

A research study  
is enrolling now

**Local doctors are studying  
an investigational  
medication for lupus**

If you're at least 18 years old and have lupus, you may qualify for a local research study of an investigational medication for managing lupus.

**Qualified volunteers will  
receive at no cost:**

- Study medication
- Study-related care from a local doctor
- Reimbursement for your time and travel

Health insurance and referrals aren't required to participate
